

Department of Natural Resources, Bureau of Cooperative Environmental Assistance

In accordance with Section 299.80, Wisconsin Statutes, the Secretary of the Department of Natural Resources (DNR) has decided to enter into negotiations on an Environmental Cooperative Agreement with:

3M Environmental Technology and Safety Services
Building 0042-02-E-27
P.O. Box 3331
St. Paul, MN 55133-3331

to promote superior environmental performance and encourage public participation among interested persons affected by the activities at this facility. Other goals of this pilot program include encouraging a systematic assessment of environmental impacts from these facilities and working toward pollution reduction in an efficient and cost-effective manner.

As part of this agreement Northern Engraving has agreed to a facility wide emissions cap on Volatile Organic Compounds (VOCs) and Hazardous Air Pollutants (HAPs).

Specific information on this proposed Cooperative Agreement can be accessed via the Internet at:
